	Für den Umbau von b3 53 auf b3 TMSC werden für den Müllauszug in Aluminium mit der Breite 60 cm und 75 cm neue Auszugswannen benötigt.	For retro-fitting b3 53 to b3 TMSC, new drawer boxes will become necessary in case of waste pullout in aluminium in width 60 cm and 75 cm.	Conversion de b3 53 à b3 TMSC, pour l'élément poubelle en aluminium de 60 cm et 75 cm de large de nouveaux caissons coulissants sont nécessaires	Per la conversione da b3 53 a b3 TMSC sono necessari nuovi cestoni estraibili per il portarifiuti in alluminio con larghezza di 60 cm e 75 cm.	Para la sustitución de b3 53 a b3 TMSC en módulos con sistema de desperdicios y extraible en aluminio para anchos de 60 y 75 cm, se requieren nuevas estructuras de extraíble.	Voor de ombouw van b3 53 naar b3 TMSC zijn nieuwe ladebakken nodig voor de afvaluitrekesystemen met aluminium ladebakken in een breedte van 60 en 75 cm.
	Mitnehmer darf bei ausgezogener Führung nicht zu sehen sein. Mitnehmer ganz nach vorne ziehen bis zum vollständigen Einklappen des Hebels.	Catch lever must not be visible in case of extended runner. Pull catch unit forward as far as possible until full retraction of lever.	Le support ne doit pas être visible lorsque la coulisse est sortie. Tirez le rappel à fond vers l'avant jusqu'à ce que le levier se replie.	Le molle di trascinamento non devono essere visibili quando la guida è estratta. Tirare del tutto in avanti il nottolino fino alla chiusura totale della leva.	Con la guía abierta, el arrastrador no ha de ser visible. Estire el arrastrador hacia delante hasta que la palanca encaje completamente.	De meenemer mag niet zichtbaar zijn vanneer de geleider is uitgeschoven. Meenemer naar voren trekken totdat de hendel volledig ingetrokken is.
